An off-leash dog park promotes exercise and socialization, improving the mental and physical well-being of our dogs and encourages community spirit among dog owners.

Whitman County Humane Society plans to provide:

- 🐾 Two fenced acres for dogs to play and socialize
- 🐾 Separate areas for small and large dogs
- 🐾 Water fountains for dogs and handlers
- 🐾 Irrigated and maintained grass field
- 🐾 Rolling topography
- 🐾 Attractive landscape design
- 🐾 Double-gated entrance/exit for safety
- 🐾 Secure electronic card entry system (keyless)
- 🐾 Biodegradable bags and waste receptacles
- 🐾 The park will be open all year from dawn to dusk.

Be a Part of the Dream:

Help reach the goal of \$64,000 to open the dog park for all of Pullman's furry friends to enjoy. This is an independent venture on behalf of our non-profit organization.

Any funds in excess of our goal will be used to furnish the park with beautifying plants, seating for our two-legged guests and fun equipment for our four-legged friends.
