Become a WCHS member now!

Please support the Whitman County Humane Society by joining us as a member. If your membership has lapsed, please renew to help us continue our services. Your membership contribution means everything to us and the homeless pets in our care. Dues-paying members are the backbone of WCHS, a nonprofit organization.

Annual Membership rates:

- $35 – Individual membership
- $15 – Student membership
- $30 – Senior membership (65 and older)
- $50 – Family membership (for 2 or more members of a household)

Why is your membership important?

1. We need your support. WCHS operates the only no-kill, 100 percent spay/neuter shelter serving all of Whitman County, and the majority of funding comes from caring community members like you. Your membership contributes to the regular costs of caring for the hundreds of homeless pets we shelter each year.

2. There’s strength in numbers. The size of our membership base demonstrates the importance of our role in, and service to, the community. This is vital when we apply for grants and build relationships with other city and county entities.

3. Members are our best volunteers. Although not all members are able to volunteer, growing our membership with active and caring individuals naturally increases our volunteer ranks with individuals who are dedicated to helping animals.

To verify your membership status, please contact our administrative office at 509-332-2246.

Our members get special privileges.

We love our members! In addition to being champions of the homeless pets of Whitman County, WCHS members:

- Receive the WCHS newsletter, Tip of the Tail
- Participate in elections of the WCHS Board of Directors
- Can serve on the WCHS Board of Directors

WCHS provides a wide range of services, including a spay/neuter assistance program for pet owners, a foster care program, a microchip service that helps with the return of lost pets, and much more. Please visit www.whitmanpets.org for more information and to learn how WCHS is making a difference in the lives of homeless companion animals.
