Dear

The Whitman County Humane Society's 5th Annual Furball and Yappy Hour will be on January 28, 2012, at the SEL Event Center. Special highlights of the event include:

- * "Hot Dogs, Cool Cats and All that Jazz" theme.
- * Tickets are \$50.00 per person and admittance is limited to 320 people.
- * A delicious and flavorful Mediterranean menu will be served by Black Cypress.
- * Fine wines and beer from Washington state will be featured.
- * Desert will be provided by Sunshine Cakes of Moscow.
- * A various assortment of live and silent auction items will be available.

Our guest speaker is Dr. Marc Bekoff, a professor in Ecology and Evolutionary Biology from the University of Colorado. Dr. Bekoff is the author of "The Emotional Lives of Animals," "Wild Justice" and "Animals Matter" to name just a few of his works.

There are fantastic opportunities for you to support next year's event and advertise your business. Enclosed please find a description of the various sponsorship opportunities. If you would rather donate an item to auction, that would be greatly appreciated too.

Please call the Society's office at 332-2246 or e-mail my co-chair, Amy Williams at amyjas02@yahoo.com to either sponsor and/or donate an item. WCHS is a 501(c)3 organization.

Thanks for your support.
